COMPLETE  
SKIN CARE SOLUTIONS

HIGH QUALITY ITALIAN PRODUCTS

# ITALIAN DERMOCOSMETICS... SOLUTIONS TO MAINTAIN HEALTH AND BEAUTY OF SKIN, SCALP AND HAIR

**Galenia Skin Care** is an Italian company which has renewed the standard tradition in the dermocosmetic field. We are highly acknowledged by dermatologists for our efficiency and safety; by pharmacists for our variety of solutions and competent advice; and by consumers for the pleasant high tolerability of all of our products. We offer high quality, competitive prices and solutions for every type of skin care.

Our specialized formulas are based on:

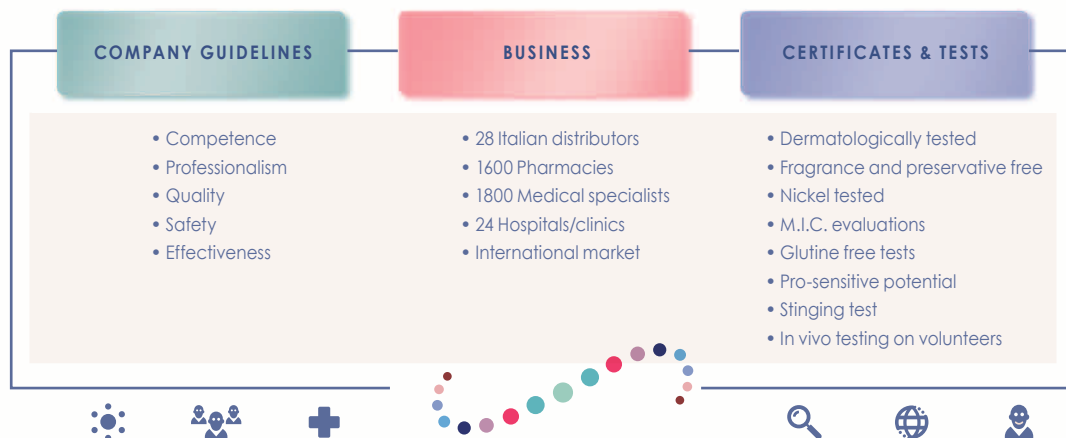

- optimization of active ingredients which have been proven for efficiency and functional high quality concentrations for the skin.
- Control over all raw materials and the production process

maintain the highest quality standards and elevated safety measures.

- Clinical tests (both on volunteers and in vitro testings) performed under strict dermatological control verify the action and the tolerability of the formulas.
- Safety tests guarantee the absence of potential allergenic substances.

We offer a variety of products which take into consideration the many diversified needs for every type of skin.

Our range of products provides solutions to the needs of children, adults and the elderly.

- SEBORRHEIC DERMATITIS

# XL SIZES FOR CHRONIC SOLUTIONS

Treatments with high efficiency at competitive low prices

Lipo Cream XL and Hydro Cream XL are two formulas which manage chronic and recurrent skin conditions. Combining rich moisturizing, hydrating and soothing solutions while providing elevated tolerability. Great value for quantity/price.

**Galenia Skin Care Lipo Cream XL is recommended for the treatment in the following situations:**

- strong tendency for dry and irritated skin
- extensive psoriasis or bedridden
- eczema, pressure ulcers
- for extended areas

Intensive nourishing cream for extremely dry skin conditions.

**Galenia Skin Care Hydro Cream XL is recommended for the treatment in the following situations:**

- dry and cracked skin
- sensations of itchiness
- for extended areas

Intensive moisturizing cream for very sensitive and atopic skin.

**Galenia Skin Care Soothing Body Lotion XL is recommended for the treatment in the following situations:**

- dry skin with persistent itchiness
- hives
- senile itchiness
- exanthematous diseases
- scabies
- sunburn
- for extended areas

Soothing Body Lotion XL is formulated to provide a calming and fresh feeling, and alleviate itchy sensations. The hydrating, lipo-restorative and protective formulation guarantees comfort and hydration.

**Galenia Skin Care Intensive Body Lotion XL is recommended for the treatment in the following situations:**

- peeling and flaking skin
- extremely dry skin
- for extended areas

Intensive Body Lotion XL is characterized by the presence of Urea in its formulation which guarantees an exfoliating action. Enriched with a synergetic anti-inflammatory action, it also provides intense hydration, nurturing and soothing sensations.
