

COSMETICI DERMATOLOGICI

GALENIA SKIN CARE NOURISHING BODY LOTION

NOURISHING and PROTECTIVE BODY LOTION

For dry, very dry, peeling and dehydrated skin. Dermatologist Approved. Nickel Tested.

A nourishing and protective formula carefully designed to guarantee an intense hydration especially on delicate and sensitive skin.

High skin tolerability guaranteed by:

- Nickel identification tests.
- A preservative, fragrance and colorant free formula.
- In vitro tests.
- Clinical tests under dermatological control.

A daily use balances the skin hydration conditions.
